\* Boston Intl. Film Festival-Official  
Selection 2023

"Savino Laquale is an American actor known for his performances in award-winning independent films. Notably, he shared the screen with Paapa Essiedu in the holiday film 'Genie,' starring Melissa McCarthy. A dedicated student of acting, Savino continuously hones his craft through ongoing acting classes. In addition to his acting prowess, he is a Toastmasters Competent Communicator and is fluent in Italian."
